

UNC School of Social Work 2016-2017 Clinical Lecture Series

FOCUS ON FAMILY AND DISABILITY SEMINARS

2nd Tuesdays, 12:00 pm–2:00 pm

Theme: Early Intervention/Early Childhood Development – Supporting Infants, Toddlers and their Families

The *Focus on Family and Disability* Seminar series is a forum to educate diverse audiences about current issues, policies, research and evidence-based approaches in health, education, and disability to improve outcomes for children who have disabilities/special needs and their families.

Target audiences includes graduate students, faculty, service providers, community stakeholders, and family members.
