

UNC School of Social Work 2018-2019 Clinical Lecture Series

FOCUS ON FAMILY AND DISABILITY SEMINARS

2nd Tuesdays, 12 – 2:00 pm

The Focus on Family and Disability Seminar series is a forum to educate diverse audiences about current issues, policies, research and evidence-based approaches in health, education, and disability to improve outcomes for children with disabilities/special needs and their families. Target audiences includes graduate students, faculty, service providers, community stakeholders, and family members.
