Functional Analytical Psychotherapy

with Holly Yates, LCMHC, Certified FAP Trainer and Miranda Morris, PhD

This workshop teaches an approach for establishing “intense, authentic and curative” relationships with diverse clients. Participants will practice with reciprocal exchanges of vulnerability, and responsiveness to “clinically relevant behaviors” as they unfold in the moment, to deepen the relationship and client transformation.

Holly Yates MS, LCMHC, is co-founder of North Wake Counseling Partners, where she practices in Raleigh, and a Certified FAP Trainer. She received supervision by FAP developers, Mavis Tsai and Robert Kohlenberg, who continue to mentor her.

Miranda Morris, PhD, is a licensed psychologist in private practice in Bethesda, MD; a Peer Reviewed ACT Trainer, and President Elect of the Board of the Association of Contextual Behavioral Science.

PRE-REGISTRATION IS REQUIRED.
